

Family, Baby, Children, and Maternity Session Price Guide

SESSION FEES:

The session fee is for the photographer's time and talent to perform the photo shoot and the post-production work (digital editing and retouching). Session fees for both standard and mini portrait sessions are as follows:

Standard Portrait Session:	Mini Portrait Session:
\$250	\$175
400-500 photos taken	200-250 photos taken
2 hour session length	30-45 minute session length
50 best images, each presented in both color and black & white in an on-line gallery	25 best images, each presented in both color and black & white in an on-line gallery
Manual color-correction of all best images	Manual color-correction of all best images
Editing and retouching of all best images	Editing and retouching of all best images

PRINTS & DIGITAL IMAGES:

James Thomas Long Photography believes all clients should have beautiful and timeless prints to treasure for years to come. This is why we work closely with a professional photo lab to guarantee high quality printing. We are pleased to offer competitive pricing for both print packages and a la carte prints. Since many clients also desire digital images, James Thomas Long Photography offers a digital image CD option as well.

Payment Information:

To reserve the time & date for your session, a \$50 non-refundable deposit must be received. This \$50 will be applied towards your session fee. The remainder of the session fee must be received prior to the start of your session by cash or check.

Your session can be re-scheduled if there is bad weather or illness. Otherwise, please provide at least 72 hours notice to reschedule.

All prices are subject to change without notice.
